

# STELLA K. SNYDER

## PRODUCT DESIGN

### EDUCATION

#### UTAH STATE UNIVERSITY | 2021 - 2026

**B.S.** Outdoor Product Design & Development

**Minor** Marketing

**Cert.** Fashion Studies

- Lab Technician, OPDD sewing and laser lab
- Senior Scholar mentorship program participant
- Dean's List, Mystery Ranch Scholarship

### WORK EXPERIENCE

#### GEAR REPAIR SPECIALIST & SALES ASSOCIATE

Lone Pine Gear Exchange | Aug. 2022 - Jan. 2024

- Provided expert knowledge on ski apparel and equipment, consignment policies, & gear repair
- Analyzed sales & market trends to make calculated merchandise display decisions
- Volunteered to work after-hours for work events & fostered a welcoming environment
- Worked on technical apparel and soft goods repairs
- Entered and posted incoming consignment data to Lone Pine's website
- Helped design posters for sales and events

#### SALES ASSOCIATE & CASHIER

Out N Back | June 2024 - June 2025

- Maintained organized, visually appealing sales floor
- Educated customers on technical features, materials, and performance differences
- Processed sales, handled returns, and maintained accurate inventory

#### LAB TECHNICIAN

Utah State University | Aug. 2024 - Current

- Provided useful feedback for fellow students working on projects in the lab
- Helped curate an organization plan for the lab's material & industrial sewing machine room
- Serviced and maintained industrial sewing equipment
